

Special School Days 2018-2019

Helping to inspire pupils' curiosity

Special School Days 2018-2019

Welcome to the 2018 - 2019 Schools' Special Activity Days from Dover Museum. Special School Days comprise two, one hour, themed educational workshops with an art, drama or talk and artefact focus. We offer a range of school activities based on our collections and in particular our internationally important Bronze Age boat. Our workshops help pupils develop a rich understanding of the historical elements of the National Curriculum and allow teachers to visit at different points in their scheme of work.

Our Workshop Leaders

Ian Crosher of KIC Theatre leads our ever popular drama sessions on a wide range of subjects. Working in our Roundhouse theatre, Ian's dates are always in high demand so as regular visitors know it is best to book early!

Hannah Bryan leads our popular clay workshops Hannah's easy to follow instructions and pictograms give children of all abilities the confidence to produce great clay models to take back to school. This year Hannah has extended her programme to offer a new range of one hour art based activities using the galleries.

Martin Crowther offers hands-on investigative workshops inspired by real and replica artefacts. He brings a wealth of knowledge from previous learning and engagement roles with Canterbury Museums and Canterbury Cathedral. This year sees new interactive STEM workshops, and multi-sensory workshops for children with Special Educational Needs and Disabilities added to his portfolio.

This year we also welcome Michelle Crowther, a Community Adult Education tutor from Canterbury Christ Church University, who will encourage children to develop their creative writing, poetry and story making skills inspired by objects, stories and characters around the museum.

Please visit our website www.dovermuseum.co.uk/education for prices and more information on available dates for school activity days.

The Day's Programme

As we know, many of our schools need to plan their days around transport availability, our activities start at 10.30 and finish at 2.00pm. This includes an hour in the Museum and 30 minutes for lunch. Extra visiting time to the Museum is possible during normal opening hours from 9.30 until 5.00pm to ensure that all our schools get the best value for money from their visit.

Museum Education Room

Education rooms are available for pupils to eat a packed lunch and store their coats and bags. During the summer, lunchtime can take place on the Museum's Roman Lawn if the weather is fine.

Gift Shop

A gift shop is available at the Museum selling a variety of educational and pocket money priced items. The Museum also offers a gift bag service that can be pre-ordered for collection on the day.

Please do not hesitate to contact us to discuss the particular requirements of your pupils.

Special Festival at Dover Museum 2019

ROM19

2019 ROMAN FESTIVAL AT DOVER MUSEUM

Tuesday 11th, Wednesday 12th and Thursday 13th June
10am - 2.30pm

Come and spend a day experiencing Roman Life.

- A Drama workshop on everyday life during the Roman period
- Make a clay Roman style artefact
- Learn about Roman magic and medicine
- Have hair styled in Roman or Celtic fashion, faces made up as Roman or Celtic ladies or warriors complete with battle scars.
- Explore artefacts from the Roman period

All children and accompanying adults are encouraged to come dressed as Romans or Celts.

**PLEASE NOTE: PLACES ARE LIMITED FOR OUR FESTIVAL,
PLEASE BOOK EARLY TO AVOID DISAPPOINTMENT!**

New for 2018/19

Short Visit Activities

Entry to the General Museum is now free. For local schools, or those wishing to combine a visit to the Museum with other activities in the area, we now offer new one-hour workshops to enhance a shorter visit to the galleries. Please note these are subject to availability and will not run on the same days as our special school days.

Choose from a variety of historical periods linked to our galleries or from a specific period to complement a historical period being studied. A range of art, science, maths and literacy and storytelling workshops are available for all Key Stages.

SPECIAL EDUCATIONAL NEEDS

The learning team at Dover Museum are experienced in creating and delivering workshops for children with a wide range of special educational needs. The museum was a partner in the recent Special Schools and Museums project.

Short Visit Activities			
SV1	Materials from the Past	Art	Explore the History Gallery with a range of observational worksheets using items in the gallery to explore representations and materials from the past. Make a thaumatrope suitable for KS 1 pupils.
SV2	Pattern and Sequence Workshop	Art	Explore the History Gallery with a range of different drawing activities looking at composition pattern and sequence using items from the gallery. Produce a poster based on observations from the gallery suitable for KS2.
SV3	Stone Age to Roman KS2	Art	Spend time on the bottom floor Pre-History Gallery looking at the artefacts and models with a range of observational worksheets based on objects from the Stone Age to Roman. Suitable for KS2.
SV4	Stone Age to Roman KS1	Art	Spend time on the bottom floor Pre-History Gallery looking at the artefacts and models with a range of observational worksheets based on objects from the Stone Age to Roman. Suitable for KS1.
SV5	Dover On The Front Line	Art	A drawing workshop linked to Dover during WW2 using artefacts and photographs from the History Gallery.
SV6	Creative writing workshop	Literacy Creative writing, poetry and story-making	Gallery-based workshop on a historic period of your choice, including the Bronze Age, Romans, Anglo-Saxons and Vikings, Victorians, WWI and WW2 Themes includes animals, homes, the seaside or local history. Children work with a creative writing specialist to develop creative writing, poetry and story-making skills inspired by objects, stories and characters around the museum.

Short Visit Activities continued

SV7	STEM workshop 1	Maths Pattern, symmetry and tessellation	Investigate pattern, symmetry and tessellation using the museum building, objects on display and artefacts in the museum handling collection for inspiration.
SV8	STEM workshop 2	Science and technology Forces and motion	Learn about forces and motion in a fun, hands-on workshop investigating historic technology around the galleries. Children then work in small teams to design, build and test a simple machine, from a choice of boat, catapult or moving toy. Which team will win the prestigious Dover Museum STEM challenge? Please note this workshop can be tailored to tie in to a specific historic period you are studying in school.
SV9	SEND Bronze Age sensory story and hands-on activities	History, literacy, science and technology Bronze Age	Children meet a storyteller and actively participate in a sensory story which introduces them to a Bronze Age family and their animals. They imagine what it was like to build and crew the Dover Boat on a stormy cross-Channel voyage. Using rhyme, rhythm, repetition, gesture, real and replica artefacts, sounds and smells!
SV10	SEND teacher-led museum visit (with multi-sensory activities to collect from front desk on arrival)	Cross-curricular teacher-led visit to explore the Dover Bronze Age Boat Gallery and Dover Discovery Gallery Cross-curricular including History, design and technology	Pick up a feely bag and other activities from the front desk to explore as part of a visit to the Bronze Age Boat Gallery. This includes a bronze axe head and pot; soft toy farm animals including cows, pigs and sheep; and Bronze Age smells and sound clips - with ideas of how to use them creatively. Children can also explore the Dover Discovery Gallery to take part in the Mystery Object Challenge. There are teacher notes for each activity, which are suitable for children with Profound and Multiple Learning Disabilities and P6-9 visits.
SV11	Multi-sensory workshops for special schools	Multisensory workshops designed especially for SEND children	The learning team at Dover Museum are happy to adapt content from any workshop in the wider learning programme to meet your specific needs, as well as on the themes of animals, colour and texture. Each workshop includes storytelling, an opportunity to investigate and handle real artefacts and a short open ended creative activity.

**To make a booking please email Lynda Pearce
lynda.pearce@dover.gov.uk.**

These will be confirmed by email. Please ensure you select alternative dates as space is limited. If you require any more information on any of the special school days at Dover Museum or on any of the other educational opportunities available at the museum please contact: -
